

ASSOCIATE IN ARTS
Study Track: RN to BSN at UNC-CH

*This template has been developed by Durham Tech using the recommendations published on the UNC-CH RN to BSN webpage. It is to be used as a blueprint for guiding students interested in participating in the RN to BSN program at UNC-CH. Students who successfully complete this course of study and who meet the requirements for admission to the program may be admitted to UNC-CH's RN to BSN online program of study. Since students may be interested in earning their AA degree, the format in which these courses are presented is the format for an AA degree here at Durham Tech. Be assured, however, that every item listed is required for admission into UNC-CH RN to BSN program, except for the two courses (see "Elective Hours Required for Graduation" on Page 2) where a disclaimer is listed. **This list of courses is meant as a guide and the student should not assume that it addresses every condition for admission set by UNC-CH. It is the student's responsibility to become aware of individual requirements of the senior institution and to make course substitutions as warranted, within the requirements of the AA Plan-of-Study.***

General Education Core (44 SHC): 44 semester hours of credit (SHC) in general education core courses are required as outlined by the North Carolina Community College Curriculum Standards for Associate in Arts degree programs. Students who complete the General Education Core requirements exclusively at public colleges and universities in North Carolina or at private colleges that have signed on to the Comprehensive Articulation Agreement will be able to transfer the set of courses as a package. The General Education Core includes study in the areas of English composition, humanities and fine arts, social and behavioral sciences, natural sciences, and mathematics.

NURSING, Continued

ELECTIVES: To complete the Associate in Arts degree, a student must complete a total of 64 hours. Sixty-four credit hours are guaranteed to transfer. Transfer of credit hours beyond the 64th is not guaranteed. Electives transfer as a package if the student completes the AA degree. If the degree is not completed, then elective courses transfer on a course-by-course basis, and it is the student's responsibility to address individual program requirements at the university. We recommend that the additional 20 hours beyond the General Education Core be distributed as follows:

Elective Hours Required for Graduation with an AA degree from Durham Tech (8 SHC):

Durham Technical Community College awards the Transfer Core Diploma. The Transfer Core Diploma confirms that students have completed all their General Education Core requirements under an A.A. or A.S. degree program. Core completion certifies that a student has met all the lower-division General Education Requirements of the receiving senior institution and has met the Minimum Course Requirements (MCRs) for admission to the University of North Carolina System. Students need to apply for the Diploma once they have completed the Core of their respective Plan of Study. Forms are available in Admissions in the Wynn Center.
