Durham Tech Host BioPharma Boot Camp

(DURHAM, N.C.) – Interested in Biotechnology but afraid you don't have the prerequisite skills to succeed in that career field? Durham Technical Community College's five-week BioPharma Boot Camp takes a look at the many opportunities in the fast-growing, high-paying Biotechnology industry. The program helps strengthen participants' math and science skills, as well as emphasizes technical skills development and career readiness. A free information session on BioPharma Boot Camp will be held Thursday, Aug. 10 at 2 p.m. in the Corporate Education Center, room 603, at Durham Tech's Main Campus, 1637 Lawson Street. Day and evening classes begin Oct. 12, with early registration currently open. The cost is \$130 but free to qualified participants. Call 686-3350 for more information.
