

JOB OPENING

POSITION: TV Director of Station Operations

JOB NUMBER: 9089

DIVISION/DEPARTMENT: WRAL-TV – Programming

DESCRIPTION: WRAL is seeking a person to oversee programming (local, syndicated, and network) and supervise non-news, development, and local program production (including documentary unit and NC Wanted). This person will develop strategic projects and manage all special projects for WRAL-TV; assist with News Strategy and Research; manage the scheduling and operation of multiple digital station programming; and help to maximize ratings in all day parts. The Director of Station Operations is responsible for ensuring compliance with station policies and FCC regulatory requirements and will assist with Retransmission Consent negotiations. This individual will interact with all WRAL-TV Departments and Capitol Broadcasting Divisions. The successful candidate must have strong project management and negotiating skills; be detail-oriented; and have excellent organizational, interpersonal, and communication skills. A four year college degree and a minimum of five years of News Director experience necessary; programming experience is helpful. A pre-employment drug screening is required. **All candidates must apply online at www.cbc-raleigh.com.** EOE M/F All Capitol Broadcasting Company properties are tobacco free.

POSTED: October 21, 2009

CLOSING: November 4, 2009

It is the policy of the company to be fair and impartial in all relations with employees and applicants for employment. No person will be discriminated against in employment because of race, color, religion, age, sex, military status, national origin, physical/mental disability, or any other characteristic protected by applicable federal or state law.
