

Steamfitter C/L

Duke University's Facilities Management Department is seeking a Steamfitter C/L to work fulltime. Duties Perform general repairs and preventive maintenance on all steam distribution, chilled water, domestic water, air, gas and vacuum systems and assist all higher level mechanics in their areas of responsibility.

ASME Welding Certification is required. Work requires an understanding of blueprints and welding normally acquired through a high school education with course work in skilled crafts or shop.

Experience: Five years of experience as a steamfitter mechanic is required or an equivalent combination of relevant education and/or experience.

To apply for this position, please go to www.hr.duke.edu and submit an online resume to requisition #400326164 or Email mae.mayfield@duke.edu
