

For OT Assistant

JOB POSTING

(9-15-09)

EMPLOYER:

Futures Education (Futures; a division of Futures HealthCore, LLC www.futureshealth.com). Futures is a clinician owned and managed contract therapy company that was founded on the values of respect for individuals, collegiality among clinicians, and the performance of authentic work. The clinicians that we hire work directly for the Futures, which is home based in Springfield, Massachusetts, with three regional offices serving the Northeast, Mid-Atlantic, and Mid-West portions of the country.

JOB TITLE: Occupational Therapy Assistant

DESCRIPTION:

Provide occupational therapy assistant services in the Wadesboro Public schools that will include primarily direct treatments, screenings, IEP attendance, and other duties as deemed appropriate by the program manager and in accordance with the role(s) of an Occupational Therapy Assistant as issued by the State of North Carolina.

REQUIREMENTS:

North Carolina Licensure as an occupational therapy assistant

SALARY:

Extremely Competitive Compensation Package; Sign On Bonus; Continuing Education Compensation and "In-House" mentorship and education; Relocation Assistance.

BENEFITS:

Medical/Dental Insurance; Life/Long Term Disability; Accidental Death & Dismemberment; and Paid Time Off. Futures also provides flexible hours (full time, part time, or per diem), a variety of work settings, and the required supervision for CFs and SLPAs.
