

PED 162 ANGLING

COURSE DESCRIPTION:

Prerequisites: None

Corequisites: None

This course introduces the sport of angling. Emphasis is on fishing with the use of artificial lures. Upon completion, students should be able to cast and retrieve using baitcaster and spinning reels as well as identify the various types of artificial lures. Students also use fly rods and fish with live bait. A North Carolina fishing license is required. *This course is approved to satisfy the Comprehensive Articulation Agreement for transferability as a pre-major and/or elective course requirement.* Course Hours Per Week: Lab, 2. Semester Hours Credit, 1.

Special fees and License: Students must hold a current North Carolina's Resident Fishing License. Classes held at Little River Lake requires a special \$2.00 a day license.

LEARNING OUTCOMES:

Students will be able to:

- a. Identify basic freshwater fishing outfits and their proper use.
- b. Identify fishing lures and natural baits.
