

DURHAM TECHNICAL COMMUNITY COLLEGE

Revised Spring Semester
2007

**PLAN OF STUDY
UNIVERSITY TRANSFER
Associate in Science Degree (A10400)**

Effective Fall Semester
2007 -2008

The following plan of study is the standard curriculum for the above program. Any deviation from the prescribed curriculum must have advanced approval. All prerequisite course requirements must also be met. To graduate the student must successfully complete all the required courses, the required credit hours for electives, and have at least a 2.0 overall grade point average. This plan of study is subject to change when the college thinks such action is in the best interest of the student or the program. It is the responsibility of the student to meet requirements for graduation. Students must demonstrate computer competency as part of their graduation requirements.

Note: ENG 070, ENG 080, ENG 090, ENG 090A, MAT 050, MAT 060, MAT 070, MAT 080, RED 070, RED 080, or RED 090 may be required based on placement test results.

V.A. Students: An approval signature from the V.A. Office is required before registering. Some courses may not be certifiable.

Statewide Articulation Agreement*

I. Transfer Assured Admissions Policy (TAAP)

Beginning in Fall Semester 2005, a student who successfully earns the A.A. or A.S. degree and who falls under the other requirements of the Comprehensive Articulation Agreement (CAA) is assured admission to one of the 16 UNC institutions. See your advisor for further details.

II. A.A. and A.S. Graduates

If you successfully earn the A.A. or A.S. degree, following your acceptance at one of North Carolina's 16 public universities, you will transfer as a junior, receive 64 hours of credit (if no grades are "D"), and satisfy the institution-wide, lower-division general education requirements of that university. Lists of courses required for certain majors are available in the University Transfer Office, Phillips 313.

III. Students Completing 44-Hour Core

If you successfully complete the 44-hour core, following your acceptance at one of North Carolina's 16 public universities, the 44 hours will transfer as a block (if no grades are "D") and will satisfy the institution-wide, lower-division general education requirements of that university. Lists of courses required for certain majors are available in the University Transfer Office, Phillips 313.

IV. Other Students

If you transfer to one of North Carolina's 16 public universities before completing the 44-hour core, you will receive credit for core courses, and other courses will be evaluated individually by the university you attend. Lists of courses required for certain majors are available in the University Transfer Office, Phillips 313.

***Students must meet the receiving university's foreign language and/or health and physical education requirements, if applicable, prior to or after transfer.**
