

**DURHAM TECHNICAL COMMUNITY COLLEGE**

New Fall Semester  
2008-2009

**PLAN OF STUDY  
INDUSTRIAL SYSTEMS TECHNOLOGY  
MAINTENANCE (C50240M)**

Effective Fall Semester  
2008-2009

Certificate  
Day and Evening Program

The following plan of study is the standard curriculum for the above program. Any deviation from the prescribed curriculum must have approval in advance. All prerequisite course requirements must also be met. To graduate the student must successfully complete all the required courses, the required credit hours for electives, and have at least a 2.0 overall grade point average. This plan of study is subject to change when the college thinks such action is in the best interest of the student or the program. It is the responsibility of the student to meet requirements for graduation. If accepted students do not enroll for three successive semesters, they must contact the Admissions office to determine if readmission is necessary.

Course Title	Hours			Grade	Semester	Remarks
	Class	Lab	Credit
