COURSE DESCRIPTION:

Prerequisites: None
Corequisites: None

This course provides information and strategies necessary to develop clear academic goals beyond the community college experience. Topics include the Comprehensive Articulation Agreement, college culture, career exploration, gathering information on senior institutions, strategic planning, critical thinking, and communication skills for a successful academic transition. Upon completion, students should be able to develop an academic plan to transition successfully to senior institutions. Students who plan to start their careers upon graduation from Durham Technical Community College should be able to develop an academic plan to achieve their career goals. This course has been approved to satisfy the Comprehensive Articulation Agreement for transferability as a premajor and/or elective course requirement. Course Hours Per Week: Class, 0. Lab, 2. Semester Hours Credit, 1.

LEARNING OUTCOMES:

Upon completion of this course, students will be able to:

1) Develop a strategic plan for completing community college academic goals, including certificates, diplomas, and/or associate degrees.
2) Develop a strategic plan for transferring to a university and preparing for a new career.
3) Identify the rights and responsibilities of transfer students under the Comprehensive Articulation Agreement (CAA), including Universal General Education Transfer Component (UGETC) designated courses, the Transfer Assured Admissions Policy (TAAP), the CAA appeals process, and university tuition surcharge.
4) Evaluate learning strategies, including note-taking, test-taking, information processing, time management, and memorization techniques, and identify strategies for improvement.
5) Identify essential college resources, including financial aid, advising, registration, tutoring, library services, computer labs, and counseling services and recognize the importance of these resources on student success.
6) Identify essential college policies and procedures, including academic integrity such as avoiding plagiarism; calculating a GPA, and maintaining satisfactory academic progress for financial aid eligibility and/or good academic standing.
