OTA 240 Professional Skills II

COURSE DESCRIPTION:

Prerequisite: OTA 130, OTA 140, OTA 161, OTA 170
Corequisite: None

This course covers professional development, supervisory relationships, involvement in the profession, and clinic management skills. Topics include clarification of roles and responsibilities, detailed examination of the supervisory process, participation in professional organizations, and the mechanics of assisting in clinic operations. Upon completion, students should be able to work effectively with a supervisor, plan and implement a professional activity, and perform routine clinic management tasks.

Course Hours per Week: Class, 0; Lab, 3; Clinical, 0
Semester Hours Credit: 1

LEARNING OUTCOMES:

Upon completing requirements for this course, the student will be able to:

1. Work effectively with close supervision of an OT/L.
2. Demonstrate appropriate professional work behaviors.
3. Communicate effectively in order to function as a member of a team.
4. Manage time effectively to function as a professional.
5. Demonstrate the ability to promote occupational therapy.
6. Demonstrate effective conflict resolution skills in professional situations.
7. Network with community and/or professional organizations during planning and implementation of a professional activity.
8. Demonstrate the ability to work on a team to create, organize and implement a community service project.
9. Demonstrate ability to perform inventory and organization of professional materials.

REQUIRED TEXTBOOK AND MATERIAL:
