Advising Resources: Transfer Guides for North Carolina Community College Students

- **NC Community College General Education checksheet - 2010-2011** – listing of all community college courses that align with ASU equivalent courses in our general education curriculum
- **NC Community College 44-Hour Core Checksheet** – listing of all community college courses to complete the 44 core requirements
- **Undergraduate Majors Checksheets** – links to all majors check sheets (a highly recommended guide for students who have an intended major)
- **Course Equivalency Search** - course by course evaluation of transfer credit from other institutions to Appalachian (elective or equivalent credit)

*The above guides are extremely important to ensure transferability of course credit into ASU’s current general education curriculum and/or to meet general education requirements.
