Translation

Translation of transcripts is appropriate when a student is seeking admission only to Durham Tech. For any possible transfer credit, a transcript must be evaluated by one of the evaluation services listed on the next page.

Translators should be certified by the American Translators Association. For a complete list of members, visit www.atanet.org or the local chapter, Carolina Association of Translators and Interpreters at www.catiweb.org

This includes college or university transcripts, and high school transcripts if prerequisite courses are needed. Evaluation of your transcript does not guarantee that Durham Tech will accept the credits.

Evaluation services should be members of the National Association of Credential Evaluation Services (NACES).
