How to Drop Courses

1. Click on STUDENTS.

2. Log In

3. Select Register for Sections under Registration.

4. Click on Drop Sections

5. In the Current Schedule area click the box beside the class you wish to drop.
6. **Review your selections carefully.** Now you should have the class(es) for which you wish to register checked in the top section, and the class(es) you wish to drop checked in the bottom section.

7. Click **SUBMIT**.

8. WebAdvisor will return a results page showing the class(es) you have registered for and the classes you have dropped in the same transaction session.

9. Click **OK** to return to WebAdvisor’s main menu.
