How to find your textbook information using WebAdvisor.
Use this quick guide to help you find the required textbooks, ISBN number, and cost for either the new or used versions at Durham Tech’s Bookstore. To get started, log into your account.

1) Step One: Click on “Search for Sections.”

2) Step Two: Enter the section information and click on submit.
3) Step Three: **Click on “Textbook Info Link.”** You can also use the Section Name and Title Link for book information.

4) Step Four: **View Results.**
