Why can’t I register for a course with a P or G listed after the section number?

Certain sections of ACA, MAT, ENG, and RED courses are designated with a letter “P” or a letter “G” after the section number. These course sections are restricted to Project Degree students (P) and Gateway to College students (G).

These sections require enrollment into Project Degree or Gateway to College programs. If a student not enrolled in these programs attempts to register, the following WebAdvisor alert message will appear:

**Student requires instructors consent to register**

Please select another open section of the ACA, MAT, ENG, or RED course you are trying to register for that does not have the letter P or G next to the section number. If you need additional help, please see your academic advisor or visit the Advising and Registration office, room 1200, second floor.

Project DEgree is an innovative educational model available exclusively for students who place into ENG 080 and RED 080 at Durham Technical Community College. More information about Project Degree can be found online here: [http://www.durhamtech.edu/projectdegree/index.htm](http://www.durhamtech.edu/projectdegree/index.htm)

Gateway to College at Durham Tech Community College is an educational option for Durham Public Schools (DPS) students between the ages of 16-21 who have dropped out of high school but have a desire to get back on track and earn a diploma. More information about the Gateway to College program can be found online here: [http://www.durhamtech.edu/gateway/index.html](http://www.durhamtech.edu/gateway/index.html)
