ADVISING OF HIGH SCHOOL STUDENTS

Career and College Promise, established in 2011, provides seamless dual enrollment educational opportunities for eligible North Carolina high school students in order to accelerate completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills. North Carolina community colleges may offer the following Career and College Promise pathways aligned with the K-12 curriculum and career and college ready standards adopted by the State Board of Education:

1. A Core 44 College Transfer Pathway leading to a minimum of 30 hours of college transfer credit;
2. A Career and Technical Education Pathway leading to a certificate, diploma or degree;

Advising students in the Core 44 College Transfer Pathway

1. A student in the Core 44 College Transfer Pathway can choose from four CT Pathways:
   a. Business and Economics
   b. Engineering and Mathematics
   c. Health and Life Science
   d. Humanities and Social Science
2. A student must complete the verification process with Patricia Gould before meeting with an advisor.
3. A student that has met the requirements and completed their verification process, will be provided paperwork to bring to their advising meetings.
4. A student must enroll in one Core 44 College Transfer Pathway program of study and may not substitute courses in one program for courses in another.

Advising students in the Career Technical Education Pathway

1. A student in the Career and Technical Education Pathway can choose from nine Programs of Study:
   a. Automotive Technology Diploma
   b. Computer Integrated Machining Diploma
   c. Criminal Justice Certificate
   d. Electronic Engineering Technology Certificate
   e. Medical Office Administration Certificate
   f. Networking Technology Certificate CCNA Option
   g. Sustainability Technologies Certificate
   h. Web Technologies-Web Designer Certificate
   i. Welding Technology Certificate
   j. Humanities and Social Science
2. A student must complete the verification process with Patricia Gould before meeting with an advisor.
3. A student who has met the requirements and completed their verification process, will be provided paperwork to bring to their advising meetings.
4. A student must enroll in one Career and Technical Education program of study and may not substitute courses in one program for courses in another.

**Advising students in the Innovative High School Pathway (Middle College High and City of Medicine)**

A student who is enrolled in Middle College High School or City of Medicine Academy has more flexibility in selecting courses. MCH and CMA students are able to take courses that fall under the “Associate in General Education” Degree program. MCH students will complete a plan of study with their high school advisor before meeting with a college advisor and are required to bring their plan of study with them to advising. Students without paperwork should be directed to Patricia Gould.
