COMPLETION OF MCR AT THE COMMUNITY COLLEGE
Minimum Course Requirements

Students who missed any one of the high school MCR requirements must complete the MCR requirements at a community college. A student who is deficient in one area is considered deficient in all areas.

There are three ways to complete the MCR requirements at a community college.

1) Complete six semester hours of transferable work in each of the following areas:
   - English (ENG 111 and 112 or 113)
   - Mathematics (two General Education Core courses)
   - Science (two General Education Core science courses)
   - Social Science (two General Education social science courses)
   - Two semesters of language other than English

2) Complete the 44 semester hour General Education core of the Associate in Arts or the Associate in Science degrees provided that six (6) of the Humanities/ Fine Arts hours are in a foreign language.

3) Complete the Associate in Arts or Associate in Science degrees.
