

ADVISING OF HIGH SCHOOL STUDENTS

Career and College Promise, established in 2011, provides seamless dual enrollment educational opportunities for eligible North Carolina high school students in order to accelerate completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills. North Carolina community colleges may offer the following Career and College Promise pathways aligned with the K-12 curriculum and career and college ready standards adopted by the State Board of Education:

There are three pathways through which high school students can enroll in college courses:

1. College Transfer Pathways (CTP) requires the completion of at least 30 semester hours of transfer courses including English and mathematics.
2. Career and Technical Education Pathways (CTE):
 - a. A curriculum Career and Technical Education Pathway leading to a certificate or diploma aligned with a high school career cluster.
 - b. A Workforce Continuing Education Pathway (WCEP) leading to a state or industry recognized credential aligned with a high school career cluster.
3. A Cooperative Innovative High School Pathway approved under Part 9 of Article 16 of Chapter 115C of the General Statutes.

Students wishing to enroll in Durham Tech through the Career and College Promise program must attend a mandatory information session and be advised by Department of Public Schools staff. Students should be directed to the [CCP website](#) for additional information.
