In memoriam

On behalf of Durham Technical Community College, we want to express our condolences to Commissioner Bedford's family on her passing Sunday, June 21.

Commissioner Bedford was a member of the Durham Tech Board of Trustees. She was a fully engaged trustee, dedicated to ensuring the College did all it could for the residents of Orange County.

It was our good fortune to work with Jamezetta in both her trustee and commissioner roles. She was kind, thoughtful, candid, and focused on making life better for the people of this community. There's no question that she succeeded. We will miss her leadership and her kind heart – we are all better for it.
