BLOCK III – 17-18 SHC

Block III consists of additional nursing or other requirements that are not a part of an AAS degree but are required to earn a BSN. Please note, individual RN to BSN programs may require a maximum of two elective courses to meet additional school-specific degree requirements that are not a part of the RN to BSN AA. In no case may these two additional requirements necessitate completing more than 128 credits in order to earn a BSN.

*At NCCU, students must take 8 hours of general education courses at NCCU. If the student did not take CHM 131/A, we recommend CHEM 1500(L), Chemistry and Human Life (4); HEDU 1541, Fitness (2); and your choice of sociology or economics (3).

**At UNCW, if a student successfully completed two years of foreign language in high school, then the student must complete the intermediate level of foreign language in college. If the student completed no high school foreign language, then the student must complete two semesters of foreign language in college.

BLOCK IV – 30-34 SHC

Block IV consists of credit awarded by the community college for the nursing course content taken as a part of the AAS degree program. These credits are awarded only after an RN student has successfully completed one or two initial nursing courses.

BLOCK V – 30-34 SHC (May vary depending on credit allocation from Block IV)

Block V consists of university-based courses that are taken as a part of the RN to BSN program. The number of awarded credits in blocks 1 through 5 must total between 120 and 128 (the number of credits required to earn a BSN at the UNC constituent institutions' RN to BSN programs).
