If a seat becomes available, the first person on the waitlist will receive a notification to their Durham Tech student email account. The student has to register for the class the within 24 hours of the email received or the available seat is offered to the next person on the waitlist.

Dropping or Withdrawing from Courses—What's the difference?

Drop – When a student removes themselves from a class via Self-Service before the seventy-five percent tuition refund date. The day before a term start date is the last day to drop classes with a 100% tuition refund. A dropped class does not appear on the student's transcript.

Withdraw – When a student removes themselves from a class after the seventy-five percent (75%) tuition refund date but before the last date (60% term date) to initiate a withdrawal with a grade of "W". Students must complete a Student Withdrawal form in Student Forms. No refunds are issued for withdrawn classes. Withdrawals do appear on the student's transcript.
