Understanding how we determine your award amount:

Loan amounts will be based on your Current Aid Award and the Cost of Attendance for your program.

Cost of Attendance for your program	Cost of Attendance for your program
- Expected Family Contribution	- <u>Amount or Estimate of financial aid</u>
- <u>Amount or Estimate of financial aid</u>	The maximum amount that can be requested
The maximum amount that can be requested (subsidized)	(unsubsidized)

A subsidized loan is need-based as determined by your FAFSA. A subsidized loan will be awarded first and does not accrue interest while in school. Requested loan amounts above the maximum subsidized amount will be unsubsidized. Unsubsidized loans accrue interest immediately. For more information, please contact your Financial Aid Advisor.

You have the right to cancel all or a portion of the loan and to request that Durham Technical Community College return the loan proceeds to the holder of the loan; however, if you have already received your net difference (refund) check or direct deposit, the College is not responsible for returning the funds. If the College returns loan funds that were used to pay your account balance, you will be responsible for immediate payment of the account balance that the return of funds creates. Your cancellation request must be received by the Financial Aid Office by completing an Aid Adjustment Form.

Borrower certification - Please **initial** each statement to acknowledge you have read and understand the following:

_____ I must be registered at least half-time (**6 credit hours**) in an eligible plan of study to receive a Direct Loan. If I drop below this at any point, I understand my eligibility for Direct Loans could be eliminated.

_____ If I drop below half-time enrollment (**6 credit hours**) for six consecutive months I will go into repayment status.

_____ I authorize the Financial Aid office to forward to my lender and guarantor all the data required to process my Federal Direct Loan Application and that all information provided is true and correct.

_____ I provide Durham Tech authorization to apply loan funds to my account to pay for the current year's charges.

_____ I have read, understand and agree to the terms and conditions outlined on Durham Tech's Website regarding the receipt of and required repayment of these funds, Satisfactory Academic Progress, and other applicable policies.

_____ First-time borrowers with Durham Tech are required to complete online entrance counseling and an MPN via studentaid.gov. I have completed this or will do so. I understand failure to complete this will result in my loan not disbursing.
