

2025-2026 Dependent Verification Instructions

Your application was selected for review in a process called “Verification”. Verification is mandated by the U.S. Department of Education and requires schools to gather additional documentation to check the accuracy of information submitted on the FAFSA. To facilitate this process, you are required to complete and submit a signed **2025-2026 Dependent Student Verification Worksheet**, (see below) and certain other forms of income documentation to the Financial Aid Office.

The income tax documents that we accept are based on policy put forth by the U.S. Department of Education. We can only accept either:

- **An updated FAFSA using the IRS Direct Data Exchange (DDX), OR**
- **A 2023 IRS Tax Return Transcript**

If you did not use the **IRS Direct Data Exchange** when completing the FAFSA, we encourage you to go back to studentaid.gov and update your tax information via **IRS Direct Data Exchange (DDX)**. This is significantly faster than requesting a tax return transcript from the IRS.

To Obtain a Tax Return Transcript from the IRS

1. Go to www.irs.gov/transcript
 - a. Click ‘Get Transcript Online.’
 - b. Create an account.
 - c. **Select ‘Return Transcript’ for Tax Year ‘2023’. Do not select the ‘Account Transcript.’**
 - d. Print a PDF copy of the transcript.
2. Go to www.irs.gov/transcript
