

DURHAM TECHNICAL COMMUNITY COLLEGE

PLAN OF STUDY

Effective 2018-2019

Revised Fall 2017

**ASSOCIATE DEGREE NURSING (A45110)**

*Note: Students on this plan of study will be chosen through the competitive admissions process outlined on the Durham Tech Associate Degree Nursing web page.*

The following plan of study is the standard curriculum for the above program. Any deviation from the prescribed curriculum must have approval in advance. All prerequisite course requirements must also be met. To graduate the student must successfully complete all the required courses, the required credit hours for electives, and have at least a 2.0 overall grade point average. This plan of study is subject to change when the college thinks such action is in the best interest of the student or the program. It is the responsibility of the student to meet requirements for graduation. If accepted students do not enroll for three successive semesters, they must contact Admissions and Advising Services to determine if readmission is necessary.

Course Title	Hours Class	Hours Lab	Hours Clinical	Hours Credit	Grade	Semester	Remarks
<b>5 Semesters</b>
