

DURHAM TECHNICAL COMMUNITY COLLEGE

New Fall 2012

PLAN OF STUDY

Effective 2018-2019

**ARCHITECTURAL TECHNOLOGY  
Architectural CAD Certificate (C40100C)**

The following plan of study is the standard curriculum for the program. Any deviation from the prescribed curriculum must have approval in advance. All prerequisite course requirements must also be met. To graduate the student must successfully complete all the required courses, the required credit hours for electives, and have at least a 2.0 overall grade point average. This plan of study is subject to change when the college thinks such action is in the best interest of the student or the program. It is the responsibility of the student to meet requirements for graduation. If accepted students do not enroll for three successive semesters, they must contact Admissions and Advising Services to determine if readmission is necessary.
