The flexible AGE program is designed for individuals wishing to broaden their education with emphasis on personal interest, growth, and development, rather than for transfer. Students should consult with their advisor about course selections based on their goals, and carefully review course descriptions for information about transferability. For more information, please see these links:

- [Comprehensive Articulation Agreement](http://www.nccommunitycolleges.edu/academic-programs-college-transferarticulation-agreements), which explains policies regarding transfer of credits (www.nccommunitycolleges.edu/academic-programs-college-transferarticulation-agreements)
- [Course Substitution Policies](http://durhamtech.edu/policies-and-procedures/course-waiver) (durhamtech.edu/policies-and-procedures/course-waiver)
