ASSOCIATE DEGREE NURSING
LPN to ADN Track (A45110N)

Catalog/Academic Year 2024-2025
SUMMER START

The LPN to ADN transition track is designed to allow currently Licensed Practical Nurses (LPNs) to further their education to earn an Associate Degree in Nursing (ADN). Graduates of the program are eligible to apply for the National Council Licensure Examination for the Registered Nurse (NCLEX-RN).

Upon successful completion of NUR 214 the student will receive block credit for NUR 111, NUR 112, NUR 114, and NUR 212. Students who complete this program will graduate with 73 credit hours.

Key to symbols after some courses:
* Developmental courses may be required based on college placement and course requisites.
GE Fulfills the general education requirements for this degree.
