This template has been developed by referencing the 2014 Baccalaureate Degree or the native student plans posted on the websites of NCCU, UNC-Chapel Hill (Exercise and Sports Science-General), UNC Greensboro (PE and Health Teacher Education), and UNC-Wilmington (PE and Health, K12). Students should print out the baccalaureate degree plan (BDP) for their major and intended transfer university. Students are encouraged to save their BDP for when they transfer. Students who successfully complete this course of study with an AA degree will have satisfied the General Education requirements at every public university in North Carolina as well as the private colleges that are signatories of the 2015 Independent Comprehensive Articulation Agreement. Students who transfer without the protection of the AA or AS degree must complete the General Education core requirements at the receiving institution.

**General Education – 45 SHC (“Semester Hours of Credit”)**

**Universal General Education Transfer Component (UGETC) Courses (31-32 SHC):**
UGETC courses are courses which are guaranteed to fulfill a general education component at every public university in North Carolina and at the private colleges that are signatories to the 2015 Independent Comprehensive Articulation Agreement.

### English Composition (6 SHC)

*View a list of Durham Tech courses that fulfill UNC general education requirements.

To graduate, all students must demonstrate computer competency. That competency may be demonstrated by a satisfactory score on the computer competency test or by completing CIS 110 or CSC 151.
